This prospectus, any applicable prospectus supplement and any free writing prospectus filed by us do not constitute an offer to sell or the solicitation of an offer to buy any securities other than the registered securities to which they relate, nor do they constitute an offer to sell or the solicitation of an offer to buy securities in any jurisdiction to any person to whom it is unlawful to make such offer or solicitation in such jurisdiction.

For investors outside of the United States, neither we nor any selling securityholders have done anything that would permit the offering, possession or distribution of this prospectus in any jurisdiction where action for that purpose is required, other than in the United States. You are required to inform yourselves about and to observe any restrictions relating to the offering, possession or distribution of this prospectus outside of the United States.

ABOUT THIS PROSPECTUS

This prospectus is a part of a registration statement that we filed on FormS-3 with the Securities and Exchange Commission (the “SEC”) under a “shelf” registration process. Under this shelf registration process, we may, from time to time, offer and sell, either separately or together, debt securities, common stock, preferred stock or depositary shares in one or more offerings.

Each time we offer and sell securities, we will provide a prospectus supplement or other type of offering document or supplement (together referred to herein as a “prospectus supplement”) that will contain specific information about the terms of that offering. Any applicable prospectus supplement or free writing prospectus may also add, update or change information contained in this prospectus, and accordingly, to the extent inconsistent, information in this prospectus is superseded by the information in such applicable prospectus supplement or free writing prospectus. You should read this prospectus and any applicable prospectus supplement together with the additional information described under the heading “Where You Can Find More Information.”

This prospectus contains summaries of certain provisions contained in key documents described in this prospectus. All of the summaries are qualified in their entirety by the actual documents, which you should review before making your investment decision. Copies of the documents referred to herein have been filed, or will be filed or incorporated by reference as exhibits to the registration statement of which this prospectus is a part, and you may obtain copies of those documents as described below under “Where You Can Find More Information.”

You should rely only on the information contained or incorporated or deemed incorporated by reference in this prospectus, in any applicable prospectus supplement or in any free writing prospectus filed by us with the SEC. We have not authorized anyone to provide any information other than that contained in this prospectus or in any prospectus supplement or free writing prospectus prepared by or on behalf of us or to which we may have referred you. We do not take any responsibility for, and can provide

no assurance as to the reliability of, any other information that others may give you. We have not authorized any other person to provide you with different or additional information, and we are not making an offer to sell securities in any jurisdiction where the offer or sale is not permitted. You should assume that the information appearing in this prospectus is accurate only as of the date hereof or, in the case of information incorporated or deemed incorporated by reference herein, as of the date thereof, regardless of the time of delivery of the prospectus or any sale of securities. Our business, financial condition, results of operations and prospects may have changed since the date of such information.

WHERE YOU CAN FIND MORE INFORMATION

We file annual, quarterly and current reports, proxy statements and other information with the SEC. Our SEC filings are available to the public from the SEC website at <http://www.sec.gov>.

The SEC allows us to incorporate by reference the information we file with them, which means that we can disclose important information to you by referring you to those documents. The information incorporated by reference is considered to be a part of this prospectus, and later information that we file with the SEC will automatically update and, to the extent inconsistent, supersede this information. SEC rules and regulations also permit us to “furnish” rather than “file” certain reports and information with the SEC. Any such reports or information which we “furnish” or have “furnished” shall not be deemed to be incorporated by reference into or otherwise become a part of this prospectus, regardless of when furnished to the SEC. We incorporate by reference the following documents listed below and any future filings made with the SEC under Section 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) (other than, in each case, information deemed to have been furnished and not filed in accordance with SEC rules), on or after the date of this prospectus until we have terminated the offerings of all of the securities to which this prospectus relates:

- our Annual Report on Form 10-K for the fiscal year ended [December 31, 2021](#);
- our Quarterly Reports on Form 10-Q for the fiscal quarters ended [March 31, 2022](#) and [June 30, 2022](#);
- the information in our [Definitive Proxy Statement](#) on Schedule 14A for our Annual Meeting of Shareholders that is incorporated by reference in our Annual Report on Form 10-K for the fiscal year ended December 31, 2021;
- our Current Reports on Form 8-K filed on [May 3, 2022](#), [June 2, 2022](#) (as amended by the Current Report on Form 8-K/A filed on [August 2, 2022](#)) and [August 2, 2022](#) (Film No. 221126839) (other than the portions of those documents not deemed to be filed); and
- the description of our common stock contained in [Exhibit 4.12](#) to our Annual Report on Form 10-K for the fiscal year ended December 31, 2021, and any other amendments and reports filed for the purpose of updating such description.

Information that becomes a part of this prospectus after the date of this prospectus will automatically update and, to the extent inconsistent, replace information in this prospectus and information previously filed with the SEC.

You may request a copy of these filings (other than an exhibit to a filing unless that exhibit is specifically incorporated by reference into that filing), at no cost, by writing or calling us at the following address:

FORWARD-LOOKING STATEMENTS

This prospectus, including the documents incorporated by reference into this prospectus, includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Exchange Act. These forward-looking statements include all statements other than statements of historical facts included or incorporated by reference in this prospectus, including statements concerning our business operations, economic performance and financial condition, our business strategy and means to implement our strategy, the amount of future capital expenditures, our success in developing and introducing new products and expanding our business, the successful integration of future acquisitions, and the timing of the introduction of new and modified products or services. You can sometimes identify forward-looking statements by our use of the words “may,” “could,” “should,” “would,” “believe,” “anticipate,” “estimate,” “expect,” “intend,” “plan,” “forecast,” “guidance” and similar terms and/or expressions. For these statements, we claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995.

Although we believe that the plans and expectations reflected in or suggested by our forward-looking statements are reasonable, those statements are based on a number of assumptions, estimates, projections or plans that are inherently subject to significant risks, uncertainties and contingencies, many of which are beyond our control, cannot be foreseen and reflect future business decisions that are subject to change. Accordingly, we cannot guarantee you that our plans and expectations will be achieved. Our actual revenues, revenue growth rates and margins, other results of operations and shareholder values could differ materially from those anticipated in our forward-looking statements as a result of many known and unknown factors, many of which are beyond our ability to predict or control.

A number of important factors could cause actual results to differ materially from those indicated by the forward-looking statements, including, but not limited to, the risk factors described in Part I, Item 1A of our Annual Report on Form 10-K for the fiscal year ended December 31, 2021 and in Part II, Item 1A of our Quarterly Report on Form 10-Q for the fiscal quarter ended June 30, 2022. These cautionary statements qualify all of our forward-looking statements, and you are cautioned not to place undue reliance on these forward-looking statements. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated or anticipated by such forward-looking statements. Our forward-looking statements speak only as of the date they are made and should not be relied upon as representing our plans and expectations as of any subsequent date. Except to the extent required by law, we do not undertake, and expressly disclaim, any duty or obligation to update publicly any forward-looking statement after the date the statement is made, whether as a result of new information, future events, changes in assumption or otherwise.

Item 15. Indemnification of Directors and Officers.

Subsection (a) of Section 14-2-851 of the Georgia Business Corporation Code (the “GBCC”) provides that a corporation may indemnify an individual made a party to a proceeding because he or she is or was a director against liability incurred in the proceeding if: (a) such individual conducted himself or herself in good faith; and (b) such individual reasonably believed: (i) in the case of conduct in his or her official capacity, that such conduct was in the best interests of the corporation; (ii) in all other cases, that such conduct was at least not opposed to the best interests of the corporation; and (iii) in the case of any criminal proceeding, that the individual had no reasonable cause to believe such conduct was unlawful. Subsection (d) of Section 14-2-851 of the GBCC provides that a corporation may not indemnify a director: (1) in connection with a proceeding by or in the right of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct under Section 14-2-851 of the GBCC; or (2) in connection with any proceeding with respect to conduct for which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her, whether or not involving action in his or her official capacity. Notwithstanding the foregoing, pursuant to Section 14-2-854 of the GBCC, a court shall order a corporation to indemnify or give an advance for expenses to a director if such court determines the director is entitled to indemnification under the indemnification provisions of the GBCC or if it determines that in view of all relevant circumstances, it is fair and reasonable, even if the director has not met the standard of conduct set forth in subsections (a) and (b) of Section 14-2-851 of the GBCC, failed to comply with Section 14-2-853 of the GBCC, or was adjudged liable in a proceeding referred to in paragraph (1) or (2) of subsection (d) of Section 14-2-851 of the GBCC, but if the director was adjudged so liable, the indemnification shall be limited to reasonable expenses incurred by the director in connection with the proceeding.

Section 14-2-852 of the GBCC provides that a corporation shall indemnify a director who was wholly successful in the defense of any proceeding to which the director was a party because he or she was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding.

Table of Contents

Subsection (a) of Section 14-2-857 of the GBCC provides that a corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he or she is an officer of the corporation: (1) to the same extent as a director; and (2) if he or she is not a director, to such further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors, or contract except for liability arising out of conduct that constitutes (a) appropriation, in violation of his or her duties, of any business opportunity of the corporation; (b) acts of omission which involve intentional misconduct or a knowing violation of the law; (c) the types of liability set forth in Section 14-2-832 of the GBCC, or (d) receipt of an improper personal benefit. Subsection (c) of Section 14-2-857 of the GBCC provides that an officer of the corporation who is not a director is entitled to mandatory indemnification under Section 14-2-852 of the GBCC and may apply to a court under Section 14-2-854 of the GBCC for indemnification or advances for expenses, in each case to the same extent to which a director may be entitled to indemnification or advances for expenses under those provisions.

As permitted by the GBCC, the Global Payments bylaws requires it to indemnify any director or officer who is party to a proceeding because he or she is or was a director or officer against liability incurred in such proceeding. The Global Payments bylaws generally prohibit it from indemnifying any officer or director who is adjudged liable to Global Payments or is subjected to injunctive relief in favor of Global Payments (a) for any appropriation, in violation of his or her duties, of any business opportunity of Global Payments, (b) for acts or omissions which involve intentional misconduct or a knowing violation of law, (c) for the types of liability set forth in Section 14-2-832 of the GBCC, or (d) for any transaction from which he or she received improper personal benefits. The Global Payments bylaws require Global Payments, under certain circumstances, to advance expenses to its officers and directors who are parties to a proceeding for which indemnification may be sought.

The Global Payments bylaws also provide that Global Payments must advance expenses, as incurred, to its directors and officers in connection with a legal proceeding, to the fullest extent permitted by Georgia law, subject to limited exceptions. These rights are deemed to have fully vested at the time the indemnitee assumes his or her position with Global Payments and will continue as to an indemnitee who has ceased to be a director or officer and will inure to the benefit of the indemnitee's heirs, executors and administrators.

Certain of Global Payments' employee benefit plans provide indemnification of directors and other agents against certain claims arising from the administration of such plans.

Global Payments also provides insurance from commercial carriers against certain liabilities incurred by its directors and officers.

As permitted by the GBCC, the Global Payments articles of incorporation contain a provision that eliminates a director's personal liability to Global Payments or its shareholders for monetary damages for any action taken, or any failure to take any action, except liability for:

- any appropriation, in violation of his or her duties, of any business opportunity of Global Payments;
- acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;
- the types of liability specified in Section 14-2-832 of the GBCC; and
- any transaction from which the director derives an improper personal benefit.

These provisions may have the effect of reducing the likelihood of derivative litigation against directors and may discourage or deter Global Payments shareholders or Global Payments from bringing a lawsuit against its directors. However, these provisions do not limit or eliminate Global Payments' rights or those of any shareholder to seek non-monetary relief, such as an injunction or rescission, in the event of a breach of a director's fiduciary duty. The SEC has taken the position that this provision will have no effect on claims arising under federal securities laws.

The foregoing summaries are subject to the complete text of the GBCC and the Global Payments articles of incorporation and bylaws and are qualified in their entirety by reference thereto.

statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Filing Fee Table attached as an exhibit to the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that Paragraphs (1)(a)(i), (1)(a)(ii) and (1)(a)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) (17 C.F.R. § 230.424(b)) that is part of the registration statement.

- (b) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (d) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) (17 C.F.R. § 230.424(b)(3)) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) (17 C.F.R. § 230.424(b)(2), (b)(5), or (b)(7)) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) (17 C.F.R. § 230.415(a)(1)(i), (vii), or (x)) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
3. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

Re: Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as special outside counsel to Global Payments Inc., a Georgia corporation (the "Company"), in connection with the Registration Statement on Form S-3 (the "Registration Statement") to be filed on the date hereof with the Securities and Exchange Commission (the "SEC") in connection with the registration, pursuant to the Securities Act of 1933, as amended (including the rules and regulations thereunder, the "Act"), that is automatically effective under the Act pursuant to Rule 462(e) promulgated thereunder of an indeterminate amount of the Company's debt securities (the "Notes"), common stock, preferred stock and depositary shares (the "Depositary Shares" and together with the Notes, the "Securities").

The Notes will be issued pursuant to an Indenture (the "Indenture"), between the Company and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), a form of which is filed as Exhibit 4.1 to the Registration Statement.

The prospectus that is part of the Registration Statement as supplemented in the future by various supplements to the prospectus (each, a "Prospectus Supplement") will provide for the issuance and sale by the Company of the Securities.

In our capacity as special outside counsel to the Company, we have examined and relied on oral and written representations of responsible officers and representatives of the Company and originals or copies certified or otherwise identified to our satisfaction of such documents, corporate records, certificates of the Company or public officials and other instruments as we have deemed necessary or appropriate for the purposes of this opinion letter. In such examination, we have assumed (a) the legal capacity of all natural persons; (b) the authenticity of original documents and the genuineness of all signatures; (c) the conformity to the originals of all documents submitted to us as copies and the authenticity of the originals of such copies; (d) the truth, accuracy and completeness of the information, representations and warranties contained in the agreements, records, documents, instruments and certificates we have reviewed; (e) the Registration Statement, and any amendments thereto (including post-effective amendments), have been filed with the SEC and are effective under the Act; (f) a Prospectus Supplement and related term sheet, as applicable, filed as a free writing prospectus (a "term sheet") will have been filed with the SEC describing the Securities offered thereby; (g) all Securities will be issued and sold in compliance with applicable federal and state securities laws and in the manner stated in the Registration Statement and the applicable Prospectus Supplement(s); (h) a definitive purchase, underwriting, agency or similar agreement with respect to any Securities offered (an "Underwriting Agreement" and together with documents pursuant to which the Securities are governed, the "Transaction Documents") will have been duly authorized and validly executed and delivered by the parties thereto; and (i) any Notes that may be issued will be issued in a form that complies with the Indenture, and any supplemental indenture to be entered into in connection with the issuance of such Notes will be manually signed or countersigned, as the case may be, by duly authorized officers of the Company and of the Trustee. We have assumed that the terms of the Securities have been duly authorized and created by the Company, and that the terms of the Securities have been established so as not to, and that the execution and delivery by the parties thereto of the documents pursuant to which the Securities are governed and the performance of such parties' obligations thereunder will not, breach, violate, conflict with or constitute a default under (1) the organizational documents of any party or any agreement or instrument to which any party thereto is subject, (2) any law, rule or regulation to which any party thereto is subject (excepting the laws of the State of New York and the federal securities laws of the United States of America as such laws apply to the Company and the transaction pursuant to which the Notes are

offered), (3) any judicial or regulatory order or decree of any governmental authority, or (4) any consent, approval, license, authorization or validation of, or filing, recording or registration with any governmental authority. We also assume that at the time of issuance of the Securities the Company is and will remain duly organized, validly existing and in good standing under the laws of the State of Georgia and that the Company will have duly authorized the issuance of the Securities and related matters. As to any facts material to the opinions expressed herein that we did not independently establish or verify, we have relied and will rely upon statements and representations of officers and other representatives of the Company and others.

We are members of the Bar of the State of New York, and we have not considered, and we express no opinion as to, the laws of any jurisdiction other than the laws of the State of New York that a New York lawyer exercising customary professional diligence would reasonably be expected to recognize as being applicable to the Company, the Transaction Documents or the transactions governed by the Transaction Documents (the "Relevant Laws"). Without limiting the generality of the foregoing definition of Relevant Laws, the term "Relevant Laws" does not include any law, rule or regulation that is applicable to the Company or the Transaction Documents or such transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to any of the Transaction Documents or any of its affiliates due to the specific assets or business of such party or such affiliate.

We express no opinion with respect to the enforceability of (i) consents to, or restrictions upon, judicial relief or jurisdiction or venue; (ii) waivers of rights or defenses with respect to stay, extension or usury laws; (iii) advance waivers of claims, defenses, rights granted by law, or notice, opportunity for hearing, evidentiary requirements, statutes of limitation, trial by jury or at law, or other procedural rights; (iv) broadly or vaguely stated waivers of rights; (v) provisions authorizing or validating conclusive or discretionary determinations; (vi) restrictions upon non-written modifications and waivers; (vii) severability clauses; or (viii) provisions for liquidated damages, default interest, late charges, monetary penalties, forfeitures, make-whole premiums or other economic remedies to the extent such provisions are deemed to constitute a penalty.

Insofar as the opinions expressed herein relate to or are dependent upon matters governed by the laws of the State of Georgia, we have relied upon the opinion letter, dated the date hereof, of David L. Green, Senior Executive Vice President, General Counsel and Corporate Secretary of the Company, which opinion letter is being filed as Exhibit 5.2 to the Registration Statement.

Based upon the foregoing, and subject to the qualifications set forth in this letter, we advise you that, in our opinion:

(a) with respect to any series of Notes to be offered by the Company pursuant to the Registration Statement (the "Offered Debt Securities"), when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has been filed with the SEC and becomes effective under the Act and the Indenture has been qualified under the Trust Indenture Act of 1939, as amended; (ii) an appropriate Prospectus Supplement and term sheet with respect to the Offered Debt Securities has been prepared, delivered and filed in compliance with the Act; (iii) the Indenture and any supplemental indenture in respect of such Offered Debt Securities have been duly authorized, executed and delivered by each party thereto; (iv) the terms of the Offered Debt Securities and of their issuance and sale have been duly established in conformity with the applicable Indenture and any supplemental indenture to be entered into in connection with the issuance of such Offered Debt Securities; and (v) the Offered Debt Securities have been duly authorized, executed and delivered against payment of the agreed-upon consideration therefor, the Offered Debt Securities when issued and sold in accordance with the Indenture, any supplemental indenture to be entered into in connection with the issuance of such Offered Debt Securities and the Underwriting Agreement, will be valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms; and

(b) with respect to any depositary shares to be offered by the Company pursuant to the Registration Statement (the "Offered Depositary Shares") when (i) the Registration Statement, as finally amended (including all necessary post-effective amendments), has been filed with the SEC and becomes effective under the Act; (ii) an appropriate Prospectus Supplement and term sheet with respect to the Offered Depositary Shares has been prepared, delivered and filed in compliance with the Act; (iii) Transaction Documents in respect of such Offered Depositary Shares have been duly authorized, executed and delivered by each party thereto; (iv) the terms of the Offered Depositary Shares

and of their issuance and sale have been duly established in conformity with the applicable Transaction Document to be entered into in connection with the issuance of such Offered Depositary Shares; and (v) the Offered Depositary Shares have been duly authorized, executed and delivered against payment of the agreed-upon consideration therefor, the Offered Depositary Shares when issued and sold in accordance with the applicable Transaction Document to be entered into in connection with the issuance of such Offered Depositary Shares, will be valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms.

The opinions set forth above are subject to the effects of (a) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting the enforcement of creditors' rights generally; (b) general equitable principles (whether considered in a proceeding in equity or at law); (c) an implied covenant of good faith and fair dealing; (d) provisions of law that require that a judgment for money damages rendered by a court in the United States be expressed only in United States dollars; (e) limitations by any governmental authority that limit, delay or prohibit the making of payments outside the United States; and (f) generally applicable laws that (1) provide for the enforcement of oral waivers or modifications where a material change of position in reliance thereon has occurred or provide that a course of performance may operate as a waiver, (2) limit the availability of a remedy under certain circumstances where another remedy has been elected, (3) limit the enforceability of provisions releasing, exculpating or exempting a party from, or requiring indemnification of a party for, liability for its own action or inaction, to the extent the action or inaction involves negligence, gross negligence, recklessness, willful misconduct or unlawful conduct, (4) may, where less than all of a contract may be unenforceable, limit the enforceability of the balance of the contract to circumstances in which the unenforceable portion is not an essential part of the agreed-upon exchange, (5) may limit the enforceability of provisions providing for compounded interest, imposing increased interest rates or late payment charges upon delinquency in payment or default or providing for liquidated damages or for premiums or penalties upon acceleration, or (6) limit the waiver of rights under usury laws. Furthermore, the manner in which any particular issue relating to the opinions would be treated in any actual court case would depend in part on facts and circumstances particular to the case and would also depend on how the court involved chose to exercise the wide discretionary authority generally available to it. We express no opinion as to the effect of Section 210(p) of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

We express no opinion as to whether, or the extent to which, the laws of any particular jurisdiction apply to the subject matter hereof, including, without limitation, the enforceability of the governing law provision contained in the Securities and their governing documents.

This letter speaks only as of its date and is delivered in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Act. We hereby consent to the filing of copies of this opinion letter as an exhibit to the Registration Statement and to the use of our name in the prospectus forming a part of the Registration Statement under the caption "Legal Matters." In giving this consent, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

/s/ Wachtell, Lipton, Rosen & Katz

Re: Registration Statement on Form S-3 Relating to the Registration of an Indeterminate Amount of Debt Securities, Common Stock, Preferred Stock and Depository Shares

Ladies and Gentlemen:

I am Senior Executive Vice President, General Counsel and Corporate Secretary of Global Payments Inc., a Georgia corporation (the "Corporation"). This opinion letter has been requested with respect to the Registration Statement on Form S-3 (the "Registration Statement") being filed pursuant to the Securities Act of 1933, as amended (including the rules and regulations thereunder, the "Act"), that is automatically effective under the Act pursuant to Rule 462(e) promulgated thereunder, in connection with the registration of an indeterminate amount of the Corporation's debt securities, common stock, preferred stock and depository shares as described in the Registration Statement (collectively, the "Securities").

In connection with the foregoing, I have examined such records, documents and proceedings as I have deemed relevant as a basis for the opinions expressed herein. In rendering this opinion letter, I have assumed, without independent verification, that: (i) all signatures are genuine; (ii) all documents submitted to me as originals are authentic; and (iii) all documents submitted to me as copies conform to the originals of such documents and the originals of such copies are authentic. I have also assumed the legal capacity for all purposes relevant hereto of all natural persons and, with respect to all parties to agreements or instruments relevant hereto other than the Corporation, that such parties had the requisite power and authority (corporate or otherwise) to execute, deliver and perform such agreements or instruments, that such agreements or instruments have been duly authorized by all requisite action (corporate or otherwise), executed and delivered by such parties and that such agreements or instruments are the valid, binding and enforceable obligations of all parties thereto.

I have further assumed that (i) the issuance, sale, amount and terms of any Securities of the Corporation to be offered from time to time will have been duly authorized and established by proper action of the board of directors of the Corporation or a duly authorized committee of such board ("Board Action") consistent with the procedures and terms described in the Registration Statement and in accordance with the Corporation's articles of incorporation and bylaws and the Georgia Business Corporation Code, in a manner that does not violate any law, government or court-imposed order or restriction or agreement or instrument then binding on the Corporation or otherwise impair the legal or binding nature of the obligations represented by the applicable Securities; (ii) no stop order suspending the effectiveness of the Registration Statement will have been issued and remain in effect; (iii) prior to any issuance of preferred stock, appropriate articles of amendment determining the terms of the series of preferred stock will have been filed with the Secretary of State of the State of Georgia and the shares of such series of preferred stock will have been duly and properly authorized for issuance; (iv) the number of shares of common stock or preferred stock to be offered and sold under the Registration Statement (including any common stock to be issued upon the exchange or conversion of debt securities or preferred stock that are exchangeable for or convertible into common stock) will not exceed the number of shares of common stock or preferred stock, as applicable, that is authorized in the Corporation's articles of incorporation at the time of each such sale or issuance; and (v) if being sold by the issuer thereof, the Securities will be delivered against payment of valid consideration therefor and in accordance with the terms of the applicable Board Action authorizing such sale and any applicable underwriting agreement or purchase agreement and as contemplated by the Registration Statement and any applicable prospectus supplement.

Based on and subject to the foregoing and the qualifications and limitations set forth herein, and having regard for such legal considerations as I have deemed relevant, it is my opinion that (i) the Corporation is validly existing as a corporation under the Georgia Business Corporation Code; (ii) the Corporation has the corporate power under the Georgia Business Corporation Code to execute and deliver the Securities; (iii) the common stock (including any common stock duly issued upon the exchange or conversion of debt securities or preferred stock that is exchangeable for or convertible into common stock and receipt by the Corporation of any additional consideration payable upon such conversion, exchange or exercise in accordance with the terms of such debt securities or preferred stock, as applicable), upon the receipt by the Corporation of the consideration for which the Corporation's board of directors authorized the issuance of the common stock, will be validly issued, fully paid and nonassessable; and (iv) the preferred stock, upon the receipt by the Corporation of the consideration for which the Corporation's board of directors authorized the issuance of the preferred stock, will be validly issued, fully paid and nonassessable.

The foregoing opinions are based on and limited to the Georgia Business Corporation Code, and I express no opinion as to the laws of any other jurisdiction.

This opinion letter is furnished to you for your use in connection with the Registration Statement. This opinion letter may not be relied upon by you for any other purpose, or furnished to, quoted to, or relied upon by any other person, firm or corporation, for any purpose, without my prior written consent, except that this opinion letter may be relied upon by persons entitled to rely on it pursuant to applicable provisions of federal securities law.

This opinion letter is delivered as of the date hereof, and I undertake no obligation to advise you of any changes in applicable law or any other matters that may come to my attention after the date hereof.

I hereby consent to the filing of this opinion letter as an exhibit to the Registration Statement and to the use of my name in the prospectus forming a part of the Registration Statement under the caption "Legal Matters." In giving this consent, I do not admit that I am within the category of persons whose consent is required under Section 7 of the Act and the rules and regulations thereunder. Wachtell, Lipton, Rosen & Katz may rely on the opinions expressed herein, insofar as they relate to the Georgia Business Corporation Code, for purposes of delivering its opinion letter in connection with the validity of the Securities.

Sincerely,

/s/ David L. Green

**ARTICLES OF ASSOCIATION
OF
U. S. BANK TRUST COMPANY, NATIONAL ASSOCIATION**

For the purpose of organizing an association (the "Association") to perform any lawful activities of national banks, the undersigned enter into the following Articles of Association:

FIRST. The title of this Association shall be U. S. Bank Trust Company, National Association.

SECOND. The main office of the Association shall be in the city of Portland, county of Multnomah, state of Oregon. The business of the Association will be limited to fiduciary powers and the support of activities incidental to the exercise of those powers. The Association may not expand or alter its business beyond that stated in this article without the prior approval of the Comptroller of the Currency.

THIRD. The board of directors of the Association shall consist of not less than five nor more than twenty-five persons, the exact number to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the Association or of a holding company owning the Association, with an aggregate par, fair market, or equity value of not less than \$1,000, as of either (i) the date of purchase, (ii) the date the person became a director, or (iii) the date of that person's most recent election to the board of directors, whichever is more recent. Any combination of common or preferred stock of the Association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may increase the number of directors up to the maximum permitted by law. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the Association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determine the number of directors of the Association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the Bylaws, or if that day falls on a legal holiday in the state in which the

Association is located, on the next following banking day. If no election is held on the day fixed or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases, at least 10 days' advance notice of the meeting shall be given to the shareholders by first-class mail.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares he or she owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the Association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by the shareholders at a meeting called to remove him or her, when notice of the meeting stating that the purpose or one of the purposes is to remove him or her is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal.

FIFTH. The authorized amount of capital stock of the Association shall be 1,000,000 shares of common stock of the par value of ten dollars (\$10) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States. The Association shall have only one class of capital stock.

No holder of shares of the capital stock of any class of the Association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the Association, whether now or hereafter authorized, or to any obligations convertible into stock of the Association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix.

Transfers of the Association's stock are subject to the prior written approval of a federal depository institution regulatory agency. If no other agency approval is required, the approval of the Comptroller of the Currency must be obtained prior to any such transfers.

Unless otherwise specified in the Articles of Association or required by law, (1) all matters requiring shareholder action, including amendments to the Articles of Association must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in the Articles of Association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval.

Unless otherwise provided in the Bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

The Association, at any time and from time to time, may authorize and issue debt obligations, whether subordinated, without the approval of the shareholders. Obligations classified as debt, whether subordinated, which may be issued by the Association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this Association and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the Association, and such other officers and employees as may be required to transact the business of this Association. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the Bylaws.

The board of directors shall have the power to:

- (1) Define the duties of the officers, employees, and agents of the Association.
- (2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the Association.
- (3) Fix the compensation and enter employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.
- (4) Dismiss officers and employees.
- (5) Require bonds from officers and employees and to fix the penalty thereof.
- (6) Ratify written policies authorized by the Association's management or committees of the board.
- (7) Regulate the manner any increase or decrease of the capital of the Association shall be made; provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the Association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.

-
- (8) Manage and administer the business and affairs of the Association.
 - (9) Adopt initial Bylaws, not inconsistent with law or the Articles of Association, for managing the business and regulating the affairs of the Association.
 - (10) Amend or repeal Bylaws, except to the extent that the Articles of Association reserve this power in whole or in part to the shareholders.
 - (11) Make contracts.
 - (12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any authorized branch within the limits of the city of Portland, Oregon, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of the Association for a location outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of the city of Portland, Oregon, but not more than thirty miles beyond such limits. Between meetings of the shareholders held for the purpose of electing directors, the Board

A majority of the directors shall constitute a quorum at any meeting of the Board, except when otherwise provided by law; but less than a quorum may adjourn any meeting, from time to time, and the meeting may be held as adjourned without further notice. Unless otherwise provided by law or the Articles or Bylaws of this Association, once a quorum is established, any act by a majority of those directors present and voting shall be the act of the Board.

Section 2.9. Written Consent. Except as otherwise required by applicable laws and regulations, the Board may act without a meeting by a unanimous written consent by all directors, to be filed with the Secretary of the Association as part of the corporate records.

Section 2.10. Remote Meetings. Members of the Board, or of any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone, video or similar communications equipment by means of which all persons participating in the meeting can hear each other and such participation shall constitute presence in person at such meeting.

In addition, either the Chairman or the President may appoint, from time to time, committees of one or more officers, employees, agents or other persons, for such purposes and with such powers as either the Chairman or the President deems appropriate and proper. Whether appointed by the Board, the Chairman, or the President, any such committee shall at all times be subject to the direction and control of the Board.

Section 3.6. Meetings, Minutes and Rules. An advisory board of directors and/or committee shall meet as necessary in consideration of the purpose of the advisory board of directors or committee, and shall maintain minutes in sufficient detail to indicate actions taken or recommendations made; unless required by the members, discussions, votes or other specific details need not be reported.
